## SUMMARY

---

Creative and adaptable Computer Science student in the final year at PJATK, combining cloud knowledge (**AWS Academy certified**) with practical experience in **Java, C#, .NET, and SQL**. Currently expanding into modern Android development with **Jetpack Compose**, while also gaining knowledge in **software testing and QA practices**. Recognized for teamwork, problem solving, and fast learning.

## EDUCATION

---

**Havajet Vocational and Technical High School**

*High School Diploma*

**September 2017 – July 2021**

*Izmir, Turkey*

**Lazarski University**

*1-Year Preparatory English Program*

**October 2021 – June 2022**

*Warsaw, Poland*

**Polish-Japanese Academy of Information Technology**

*Computer Science, BSc*

**October 2022 – February 2026**

*Warsaw, Poland*

## PROJECTS

---

**Vaultive: Media Streaming Platform** [↗](#)

**Mar 2025**

*C#, JavaScript, CSS, HTML, SQLite, REST-API, ASP.NET*

- \* Built a platform that aggregates movies, documentaries, and short films from services like Netflix, Disney+, and Apple TV into one accessible interface.
- \* Developed the backend with **C#** and **ASP.NET**, implementing user authentication and organized data handling; employed **SQLite** alongside Entity Framework as the ORM.
- \* Designed the frontend using **HTML**, **CSS**, and **JavaScript**, focusing on responsive, user-friendly layouts; enabled client-server communication via **RESTful APIs**.

**Feel Like Yourself: Social Media Platform** [↗](#)

**Jan 2025**

*C#, JavaScript, EJS, Node.js, CSS, HTML, SQLite, REST-API, ASP.NET*

- \* Developed a social media platform to enhance user interaction through posting, liking, and browsing shared content, with admin capabilities for management and moderation.
- \* Backend built with **C#** and **ASP.NET**, featuring authentication, pagination, and structured data access; integrated with **SQLite** and utilized Entity Framework for ORM.
- \* Frontend rendered using **EJS**, **HTML**, **CSS**, and **JavaScript**, styled for usability and responsiveness; client-server interaction handled through **REST APIs**.

**Boxing Club: SQL Database** [↗](#)

**Nov 2024**

*SQL, Microsoft SQL Server, Oracle SQL, Vertabelo*

- \* Designed and implemented a relational database system for a boxing club to manage operations including boxers, matches, sponsors, trainers, and weight classes.

- \* Defined a structured SQL schema with referential integrity, enabling efficient data storage, retrieval, and analysis for decision-making.
- \* Created and tested in both **Microsoft SQL Server** and **Oracle**, with reusable scripts for schema creation, data insertion, and analytical queries.
- \* Implemented complex SQL queries, stored procedures, and triggers to automate scoring logic, enforce business rules, and support advanced analytics.

## ACADEMIC ACTIVITIES

---

**Student Council of Polish-Japanese Academy of Information Technology** **Oct 2022 – Current**  
Student Council Member *Warsaw*

- Actively participated in the International Committee at PJATK to enhance student engagement and foster a welcoming campus environment.
- Attended university events and connected with students to gather insights and feedback for improving student life.
- **Shared suggestions** for future activities based on student interests and feedback, contributing to the planning of social initiatives.

**DevFest Warsaw** **November 2024**  
Attendee *Warsaw*

- Engaged in technical talks and workshops on Google technologies, AI, and cloud computing.

**Hackathon Krakow** **November 2022**  
Attendee *Warsaw*

- Gained insights into hackathon workflows, idea validation, and rapid prototyping.
- Connected with developers and mentors, expanding knowledge of real-world coding challenges

## CERTIFICATIONS & TRAININGS

---

- AWS Academy Cloud Foundations [!\[\]\(e27c4336460e9e6729a19580c0456728\_img.jpg\)](#)
- Foundational C# with Microsoft Certification [!\[\]\(1a140e8db538fd46d58af9f9540232fd\_img.jpg\)](#)
- ISTQB Certified Tester Foundation Level (In Progress – September 2025)

## TECHNICAL SKILLS

---

- **Programming Languages:** Java, C#
- **Backend Development:** C# REST API development, Node.js, ASP.NET
- **Frontend & UI Frameworks:** JavaFX, Jetpack Compose, HTML, CSS, JavaScript
- **Database & Data Management:** Database design, Oracle, MySQL, PostgreSQL, MS SQL Server
- **Version Control & Tools:** Git, GitHub, Swagger, Postman
- **Software Development Concepts:** Object-Oriented Programming (OOP) principles, SOLID, DRY, KISS, YAGNI
- **Testing Tools & Techniques:** Test case design, Jira, TestRail

## SOFT SKILLS

---

- **Key Skills:** Teamwork, Leadership, Communication, Multitasking, Attention to Detail
- **Language Skills:** Turkish (Native), English (Fluent), Polish (Beginner)
